

Hyper-personalized, nuanced conversations. More appointments and conversions. Enhanced team productivity. Meet the industry's most powerful generative conversational AI platform, built specifically for automotive.

Boost sales productivity, efficiency and results

- Instantly engages online leads 24/7
- Delivers authentic humanlike conversations via email and text
- Crafts context-aware first responses tailored to each lead source and customer
- Intelligently handles VIN-specific questions, financing, and trade-in inquiries
- Maximizes engagement with 100% lead follow-up for 2 months
- Automatically schedules appointments in your CRM
- Hands off ready-to-buy shoppers to your sales team
- Fully configurable AI Knowledge Bank informs and trains the AI regarding dealership services, policies, offerings, and OEM brand standards

Tangible ROI for your dealership

- Enables sales team to focus on high-value leads, relationship-building, and deal closing
- Drives showroom appointments and live calls

Automation that drives your dealership forward

The Challenge

Maximizing lead conversion without adding headcount

The Solution

Impel's Sales AI enhances the effectiveness of existing sales staff to drive higher lead conversion performance

43%

increase in appointment set rate

\$1M+

in vehicle sales influenced in the first 12 months

56X

return on investment for Sales AI

Every lead gets a real answer

AI engages shoppers with real-time, personalized responses — so your team can focus on closing, not chasing.

Responds instantly to all online leads via text and email

Follows up persistently over 51 days

Schedules appointments directly in CRM

Alerts and hands off when human touch is required

AI that moves as fast as you do.

A centralized repository for your dealership's information—continuously expanding your AI capabilities in real time—across all agents and channels.

The result? Far more meaningful and accurate conversations—and greater results.

+35% Response Rates

+15% AI-set Appointments

-10% Staff Handoffs

AI Knowledge Bank

Provide the information AI will utilize to generate conversational responses. AI won't be able to generate its reply.

General Information

Financing
